

Job Posting:
Learner Permit Instructors

Join us in shaping responsible and confident drivers for the future!

Position: Learners Permit Instructor

Location: Philadelphia High Schools

Job Type: Independent Contractor

Salary: \$50 hourly

About Us:

Educators 4 Education is committed to equipping young adult learners with the knowledge and skills needed to succeed. Our Learner Permit Program provides students with essential guidance and instruction to help them obtain their Pennsylvania Learner's Permit and become responsible drivers. We are seeking dedicated instructors to join our team and make a meaningful impact in students' lives.

Key Responsibilities:

- Provide engaging educational instruction on road safety, traffic laws, and responsible driving habits.
- Assist students in preparing for their learner's permit exams through structured lessons and practice tests.
- Foster a positive and encouraging learning environment.
- Monitor student progress and provide constructive feedback.
- Ensure all instruction complies with state and local driving laws.
- Collaborate with program coordinators to improve the curriculum.

Qualifications:

- Valid driver's license
- Teaching experience in education or small group facilitation preferred.
- Excellent communication and interpersonal skills.
- Patience and enthusiasm for working with young learners.
- Knowledge of PA state-specific driving laws and regulations.
- Ability to create an engaging and supportive classroom environment.

Benefits:

- Flexible scheduling options.
- Curriculum provided
- Professional development opportunities.
- Rewarding experience helping young learners succeed.

How to Apply:

Interested candidates should submit their resume and a brief cover letter detailing their qualifications and passion for teaching. Please send applications to hr@educators4education.org.
