

🌟 Now Hiring: After-School STEM Facilitators (K-8th Grade) 🌟

Are you passionate about inspiring young minds through science, technology, engineering, and math? Join our dynamic team as an **After-School STEM Facilitator!**

- 📍 **Locations:** School District of Philadelphia Schools
- 🕒 **Hours:** flexible days Monday–Thursday, 3:00 PM – 6:00 PM

What You'll Do:

- Lead engaging, hands-on STEM activities for students in grades K–8.
- Foster curiosity, creativity, and critical thinking in a fun, supportive environment.
- Collaborate with program staff to design and implement interactive lessons.
- Ensure the safety and well-being of all participants.
- Provide mentorship and encourage teamwork among students.

What We're Looking For:

- Experience working with children (teaching, tutoring, or mentoring preferred).
- Passion for STEM education and creativity in lesson planning.
- Strong communication and organizational skills.
- Ability to manage groups and create an inclusive environment.
- Preferred background in education, engineering, science, or technology.

Why Join Us?

- Meaningful work that makes a difference.
- Opportunities for professional growth and training.
- Supportive and collaborative team environment.
- Flexible schedule ideal for college students, educators, or professionals passionate about youth development.

How to Apply:

Send your resume and a brief cover letter to hr@educators4education.org with the subject line: **OST STEM Facilitator Application**
